MEMORANDUM FOR THE RECORD

SUBJECT: Modification of [] Chip Comparators

1. We are in the process of contracting with [] for the modification of six [] Chip Comparators. This modification is expected to correct the light source coolant leakage problem and the optical head mounting problem inherent in the present instruments.

2. It is our understanding that IEG desires to have three chip comparators modified under the same contract as part of the six instruments mentioned above. If you concur in this understanding, will you please sign below and return to RED.
